Writing Calendar

March 2022

Welcome to your free monthly writing plan!

This month: it's ma birthday!

But don't worry, it's not all Valentine-themed. And I'm not just nattering on about couples. Valentine's Day can be about loving on yourself, your pets, your family... whatever you like.

You can write as much or as little as you like, for as long as you like – but I recommend setting a timer for at least 5 minutes. Start with a step so small you can't fail.

Kick off February with some fun ideas to get your creativity fizzing – and bring a friend! It's free to join in, no sign-up required.

TTFN, Vicky xo
