# Writing Calendar

Welcome to your free monthly writing plan!

This month: we have a spring theme going on.

It's been a long, cold winter and it feels like everything is awful all over the world – AND the world is still full of beauty, too. Both these things can be true at the same time.

I hope these prompts give you a little space to think and write.

You can write as much or as little as you like, for as long as you like – but I recommend setting a timer for at least 5 minutes. Start with a step so small you can't fail.

Give yourself the gift of creativity and space to write this April – and bring a friend! It's free to join in.

TTFN, Vicky xo
