Writing Calendar

October 2022

Welcome to your free monthly writing plan!

This month: it's Spooky Season! It's October, so the nights are drawing in and the witches are coming out to play...

There's a mix of writing prompts to make you think this month, and you can write as much or as little as you like, for as long as you like. I recommend setting a timer for at least 5 minutes. Start with a step so small you can't fail.

Give yourself the gift of creativity and space to write this Octoner – and bring a friend! It's free to join in.

TTFN, Vicky xo
